Dear Members,

UPDATE ON TRAVELLERS EXEMPT FROM QUARANTINE

We are in receipt of the latest update from KCAA regarding traveller exempt from Quarantine.

The key clarification made is that travellers originating from exempt countries but in transit through a quarantine country (Qatar) will be exempt from BOTH Quarantine and self-isolation.

This issue has been a major source of concern and has now been clarified.

Kind regards,

Fred Kaigua, ACI Arb, CPM
CHIEF EXECUTIVE
